Choose from the following: Industrial Development Agency
Are you a Guilderland Resident? Yes
What was the nature of your request/question?
Crossgates/Pyramid Corp - Costco

1) I object strongly to the taking of town roads through eminent domain for any private entity, in this case Pyramid Corp. Public domain is meant for public benefit not private.

2) I also object to Crossgates/Pyramid Corp being given the tax break they are requesting esp after its loans falling into default.
It is even more ergregious given the threat to not build Costco at all unless they get what they want. Don't give in to them!

Was your request/question answered accurately and in a timely and professional manner?
Were you satisfied with the outcome of the request/question?
How can we better serve you?
