Good Afternoon,

Thank you in advance for your time in reviewing this email.

I want to show my support for both upcoming public hearings for the proposed and Town Planning and Zoning Board approved Costco project.

As other western Ave projects have been approved and with the land zoned for commercial use already in the proposed location and improvements already underway with the roundabout I ask that you please consider approving on both upcoming public hearings. The benefits in revenue and taxes for the town will be wonderful and I 100% support this project.

Thank you.
