Hi. I'm a long time resident of Guilderland who is very much in favor of the Costco being built in our town near Crossgates Mall. It would be in a central location; it would bring many jobs to the area; there would be shoppers from all around our region who would shop there and at other stores in our town. The studies have been conducted about environmental impacts and the Pine Bush would continue to thrive within the hundreds of acres of land that are already set aside. I hope that the construction goes ahead and we will be enjoying this new Costco and all the good it will bring to our town. Karen O'Shaughnessy
