**Re: "Will Serve" Letter for Fire Services for the Rapp Road
Residential/Western Avenue/Western Avenue Mixed Use Redevelopment
Projects**

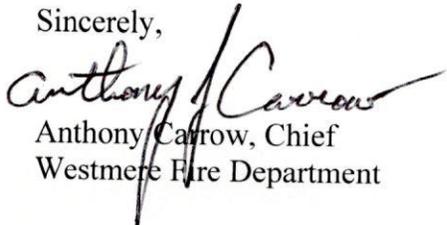

Dear Mr. Gately,

In response to your request, this letter will serve as confirmation that the Westmere Fire Department determined there will be no significant change in service level required by our department to serve the proposed Rapp Road Residential/Western Avenue/Western Avenue Mixed Use Redevelopment Projects that are currently proposed.

After review of the plans, we have determined the level of service required will not impact our department and that our department has the necessary personnel, resources, equipment and facilities to support the development.

We are grateful that Pyramid continues to work "hand-in-hand" with the Westmere Fire Department designing and funding additional safety and operational systems within their projects allowing us to be better equipped and prepared in the event of a fire emergency.

Sincerely,

Anthony Carrow, Chief
Westmere Fire Department

Cc: Timothy Playford, Assistant Chief
Westmere Fire Department

PETER G. BARBER
SUPERVISOR

DANIEL P. MCNALLY
CHIEF OF POLICE

Re: "Will Serve" Letter for Police Services for the Rapp Road Residential/Western Avenue/Western Avenue Mixed Use Redevelopment Projects

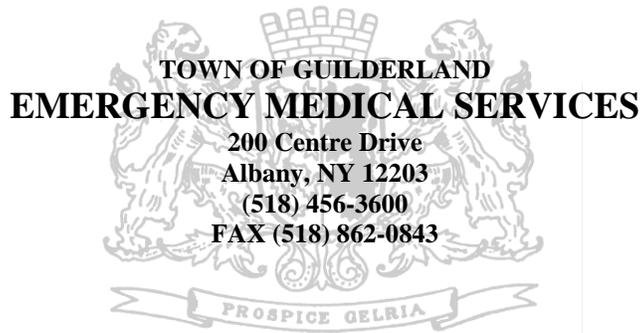

Dear Mr. Gately,

In response to your request, this letter will serve as confirmation that the Town of Guilderland Police Department has determined there will be no significant change in service level required by our department to serve the proposed Rapp Road Residential/Western Avenue/Western Avenue Mixed Use Redevelopment Projects.

After review of the plans, we have determined the level of service required will not impact our department and that our department has the necessary personnel, equipment and facilities to support the development.

Sincerely,

Daniel McNally
Chief of Police

Re: “Will Serve” Letter for Emergency Medical Services for the Rapp Road Residential/Western Avenue/Western Avenue Mixed Use Redevelopment Projects.

Dear Mr. Gately,

In response to your request, this letter will serve as confirmation that the Town of Guilderland Department of Emergency Medical Services determined there will be no significant change in service level required by our department to serve the proposed Rapp Road Residential/Western Avenue/Western Avenue Mixed Use Redevelopment Projects.

After review of the plans, we have determined the level of service required will not impact our department and that our department has the necessary personnel, equipment and facilities to support the development.

Sincerely,

Jay Tyler
