Mr. Kovalchik,

I am writing in opposition to the proposed development by the Pyramid Corporation on Rapp Road, the Mall Road & Western Ave. to build apartment buildings, a Costco store & a gas station.

I have lived in Albany for over 30 years & have been concerned that whole time over development in the Pine Bush area, & the continued encroachment into that delicate eco-system. A hard line needs to be drawn. It should be readily apparent to everyone that our entire plane is in distress. While I don't think the Town of Guilderland can solve this world-wide crises, but the Town can take actions that affect the lands & peoples within its jurisdiction.

Please do the right thing for the people of Guilderland, Albany County & New York State by rejecting this development proposal & protect the Pine Bush.

Thank you for your attention.

Peace,
Dan Wilcox
