Dear Kenneth Kolvalchik:

I hope that you will do what is best for our local environs and family residents by opposing the Rapp Road/Western Avenue Crossgates Mall expansion. Save our unique precious Pine Bush.

These days of COVID 19 are making apparent that retail is a very poor investment now for any community and here we have a more permanent natural resource in the Pine Bush that will be a gift forward to future generations as well as to our own families now.

As a resident of the town of Guilderland enjoying the beauty and steady expansion of the fragile Pine Bush, I ask you to consider the higher values at stake here and to be a proponent of environmental protection over mall expansion.

Thank you for your kind consideration to this matter.

Sincerely,

Constance M Morgan MS CAS
