

REINHART WOLF  
Fuller Building, New York 1979

Dear Guilderland,  
I am writing to ask you to please vote NO on the expansion of crossgates into the 47 acres of pine bush preserve. I fully support RE-development but albany county has succumbed to rampant sprawl and we are losing valuable, beautiful land to greed. Consider the carbon footprint

of the concrete it takes to build all of those stores + parking lots. Its tragic to lose and to more so as we lose some birds.  
Thank you!
