Sir, I would like to express my opposition to the above project. Although I am currently a resident of the city of Albany, I am an avid outdoorswoman who hikes, jogs, and walks through the Pine Bush area. It seems as though every local city and town is taking away our green space to bring big business in. Sadly, it is space we can never get back. Please protect the green space! Thank you for taking the time to read this.

Sincerely,
Sharon Pelton
