Mr. Ken Kovalchik,

I wanted to say I hope the planning board decides to move forward with this exciting new development for the community. While not personally a local resident my company and I have been partnering with Crossgates Mall, Crossgates Commons and the new Homewood Suites by Hilton. Pyramid and the entire Crossgates Management Team are a pleasure to work with in a business sense and personally. I feel the Costco project would be another great development for the local economy in so many ways.

All the best.
