

Town of Guilderland Community Gardens

APPLICATION FOR A GARDEN LOT

- Membership in the Town of Guilderland Community Gardens is available to all residents of the Town of Guilderland, subject to available space. Garden lots are assigned first come – first served. There is a modest charge per lot per year. Gardeners are required to maintain an orderly garden free of excess weeds and comply with the gardens' *Rules of the Row*.
- Lots are assigned each spring on an annual basis. The Garden's waiting list is published on the town's web site within the [Community Gardens web page](#). The applicants place on the waiting list will be determined by the date the completed application is received by the Guilderland Parks and Recreation office; see address at bottom of this form.
- Guilderland residents who are interested in a lot can print this form, fill in the requested information and mail or deliver the application to the address at the bottom of this form.
