Ken,

My name is Brian Sheridan. I am a pediatrician at Schoolhouse Road Pediatrics in Guilderland. I am also a resident. I am writing this letter in full support of the development of a new Costco in the Town.

I do believe that this is a perfect location. I also believe that it will help the economy of the community. Seeing as it is being built in a commercial part of the Town, next to our largest commercial property, I feel that it was not significantly impact the rest of the community in a negative way.

I would love to help out in anyway to support this project. If you have any questions, please feel free to give me a call at 518-221-2267. I do appreciate the work the town has been doing in making it a community that is economically stable. I find the town is a great place to raise my family and a great place to work.
