Dear Town Of Guilderland Planning Board-

Please accept my support of the proposed Costco at Crosssgates Mall.

As someone who had grown up in Guilderland, Crosssgates was one of the first places that my family went to when we moved to town as a young kid. Now, more than 30 years later, it is a place that I bring my kids to. As a parent, I want the best for my kids and my family. Giving them the opportunity to have good jobs, gain responsibility and someday potentially even buy their own home in the same town to settle down with their families is something that I would love to see happen.

In the meantime, developing land that is vacant allowing for more tax revenue for the town and school district is huge. Not to mention what the county will see as a result as well.

It is all-around a much needed project, especially with what we are facing now. From an economic standpoint, why would we turn this down?

Let's make sure we keep up with development that is needed, like this.

Thank you-  
Jean Bryan
