Dear Mr. Kenneth Kovalchik

We hope you are staying safe, healthy, and happy during these challenging times. We are writing to you on behalf of the Guilderland Baseball about Pyramid's planned Crossgates development project, in addition to the Costco being constructed.

As a local community organization, we could not speak better about Pyramid's initiatives to support the region. This includes their coin drops that they hold to support nonprofits and the abundance of gift cards and sponsorships they provide for charity/fundraising events. The inclusion of Costco to the region will also support many of the parents involved with our organization and the community, whether this is through new job creation or affordable products (like sports equipment). Additionally, Costco launches many efforts to connect with their communities and support give-back initiatives. Due to all these reasons, **we are in full support of Pyramid's opening of Costco.**

We appreciate your time to look out for what is best for the capital region. We wish to be as open as possible to an ongoing discussion in case you have any questions concerning this. Thanks for your time and enjoy the rest of your week!

Sincerely,

Guilderland Baseball
