Dear Mr. Kovalchik,

My name is Yanan Hou and I've been proudly residing in Guilderland for almost four years. I'm writing to express my support to bringing Costco to Guilderland. Although I am concerned about the challenges this opportunity could bring to the already burdened traffic in Guilderland, especially western avenue, I believe this is the best option to effectively develop Rapp Rd area. This can also show our town is welcoming large business and could attract other high quality business to town. Thank you for your hard work to make this happen!

Regards,
Yanan
