Dear Town of Guilderland,

As a Guilderland resident and taxpayer, I am looking forward to the new Costco coming to town. I like shopping at Costco and I know that I'm not alone. This will be a good addition to the town, as well as a much-needed retail store for the area.

I also have read that the development will generate significant tax revenue for the town as well as the school district. This is another benefit which cannot be overlooked and will prove to be an asset to the community.

We need this kind of responsible development and I hope that you will help make it a reality.

Thank you,
Michele Coons
