Dear Mr. Kovalchik:

I was born and raised in Guilderland. I am a graduate of Guilderland High School ('06), and was very involved in the community as a kid. I eventually moved from New York to pursue a legal degree at the University of Miami School of Law. Thereafter, I practiced law in Florida, but I knew early on that I wanted to move back to Guilderland to pursue my legal career. I now reside and practice law in Guilderland.

I have been nothing short of impressed with the efforts that the Pyramid Group has made to invest in our Town since I have moved back to the area. As someone who used reside down the street from a Costco when I lived in Miami, Florida, I can't tell you how convenient it was to have such an incredible wholesale store right at my doorstep.

Aside from my general affinity for Costco, as a taxpayer, I am incredibly optimistic that this project will generate more revenue for the Town, and will be a reinvestment into our community for years to come.

Guilderland is fortunate to have a lucrative opportunity at its fingertips at a time where the pandemic we find ourselves in wreaks havoc on the economy. I am hopeful that the Town will do the right thing by approving this project.

Bridget Schultz, Esq.
