Kenneth Kovalchik

Town Planner for the Town of Guilderland

Dear Ken and Members of the Planning Board:

We are pleased to lend our support and endorse Pyramid Mgt Groups proposal to bring a new COSTCO into the capital region.

According to a recent Albany Business Review survey conducted in 2019, Costco is the most desired, new national brand that our residents want to see come to the area.

This project will continue Pyramid's continuous desire to bring new brands, new concepts and most importantly new employment and revenue sources to the local economy.

As members of the business community employing 40+ individuals across the region we ask that board strongly consider this proposal and vote in the affirmative to allow the project to move forward.

Thank you for your commitment and leadership.

Best Regards,
