Hi Ken Kovalchik,
We are supporting This project and believe those benefits for our district.

Benefits of the project:

- Will create hundreds of good-paying jobs
- Will provide a much-needed boost to our economy in this uncertain time
- Is supported by dozens of local small businesses
- Will pump more than \$500,000 in property taxes to the town, county and school district each year
- Will provide millions of dollars each year in new sales tax revenue
