Are you a Guilderland Resident? No

What was the nature of your request/question? I'm writing today to show my support for the upcoming Costco coming to the town. As a resident of Saratoga County I know an attraction like Costco would lure me down to Albany county for my large shopping sprees for everyday goods. Costco is going to eventually come to the market place why not let it come to Albany County?

Thank you for your time and please mark me down as a supporter of Costco coming to Guilderland.

Was your request/question answered accurately and in a timely and professional manner?

Were you satisfied with the outcome of the request/question?

How can we better serve you?
