Mr. Kovalchik,

I support Crossgates Mall. My wife and I are proud owners of a pretzel place in the mall and a former owner of a franchise company in the food court. We like owning our home only a few blocks from our work.

My whole family is from India and we worked hard to get our US Citizenship 5 years ago. Crossgates has helped us build our business here in America.

Costco will help the mall to keep doing well. It is something we need in the Town of Guilderland. The traffic is not a problem from our house on Pine Lane to Crossgates Mall parking lots. We travel through the community and never have any problems.

The apartments will bring more people to Crossgates. They will come here on days off and after work. They will bring their family here like my wife and I do. People will buy more (and eat more pretzels) when here.

Thank you,
Barry Vadalia
Owner Pretzel Maker, Crossgates
Home Owner Pine Lane, Albany
