Dear Town of Guilderland,

I was a resident of Guilderland for 23 years. I also am a store manager at Crossgates Mall and have been there since 1993.. I would like to write in regards to the planning and zoning of the building of Crossgates. On the Vacant lot area! I feel this would be a great opportunity for our community.. Many people travel already to Crossgates and those people eat at our local restaurants and shop at our local businesses. This would help gain more income for Guilderland! We already have the normal traffic of mall and groceries so it will not hurt us in long run. And there are only a handful of residential houses in the area of set development. We as a town would most definitely benefit from a new business and myself as a business manager feel it will bring us the right amount of business to Crossgates Mall and to Guilderland.

Yours Truly
