Dear Kenneth Kovalchik,
Town planner, Town of Guilderland

Good afternoon,

I am writing in support and recommendation of the Rapp Road Residential/Western Avenue mixed use redevelopment project. I am a long standing manager with Signet Jewelers, having 3 pieces of real estate in Crossgates Mall. I am in support with the development as it will bring more growth and economic development in the local area. Crossgates has a proven track-record as an innovator in reimagining the shopping, dining and entertainment experience in Guilderland and the Capital Region. Pyramid has invested in expanding and diversifying the guest experience since the location first opened in 1984, and it's still a thriving destination. Crossgates should be the home to the region's first and only Costco. That would be a game changer and fill the clear need and undoubtedly be a regional draw as there are no locations between Syracuse and Central Massachusettes. Crossgates is one of the most significant hubs of economic activity in the region. Crossgates is committed to the community, supporting more than 135 local non profit organizations in 2019 raising \$1 million. This project is personally important to my success as a retail leader. I hope that the decision is made to allow this project to move forward immediately.

Sincerely,
Helen Beth Pagan
