Dear Town of Guilderland-

As a person who had grown up in Guilderland and has many friends that still reside there, I am looking forward to see my hometown grow. I live just on the outskirts of guilderland and knowing that I am in the town constantly, having the added benefit of a Costco would be tremendous. I drive through the town practically daily, support local businesses and at times, my job includes working with in the town.

As a mom of two, the benefit of being able to do my shopping nearby in Guilderland as opposed to Bj's in colonie or Sam's club in Latham, is a time saver for me. So please accept my support in favor of this project.....I really hope that we are able to make it happen.

Thank you-
