Dear Mr. Kovalchik,

I am writing this letter in support of the proposed Costco on property owned by Pyramid Management in the town.

Over the years Pyramid has provided us with many opportunities to perform work at their facilities, providing work for our local small business. In addition, their support of sports teams by allowing for coin drops is extremely important to keeping our local sports team's budgets in check and keeping the cost at a reasonable level for the families of players.

My parents live in Vermont and drive an hour each way to visit and shop at the nearest Costco to them because of the quality and value that Costco provides. The addition of a Costco at the property in Guilderland would be of value to the entire capital district.

Regards,
