Dear Mr. Kovalchik,

I understand that you are the planner for the proposed Costco and Rapp Road residential projects and we wanted to reach out to send a quick note.

Dave's Glass has been one of the primary glazing contractors who have supplied many of the custom storefronts and entrances in Crossgates Mall and we are so excited to hear of the potential new business opportunities for our company as well as others who we regularly work with.

Crossgates has been a staple for our community and will be for many generations to come. Our families have frequented stores in and around Crossgates and look forward to new shopping options and venues for entertainment.

We also have many friends and relatives who live and own businesses in the area. The Rapp Road proposal seems to be a great addition to the community and will offer a terrific new residential option for those who wish to relocate.

We appreciate your hard work and diligence in continuing to add new opportunities of employment and generating new income resources for our area. It's a breath of fresh air to see growth in the capital district.

We would be honored to provide any services and support on these project.

Please feel free to contact me if I can be of further assistance.

Best wishes on a successful project!

Sincerely,

Michael
