Attn: Mr. Kenneth Kovalchik, Town Planner

Guilderland, NY 12084

Dear Mr. Kovalchik,

I am a young professional and currently a resident of Schenectady County but travel to Guilderland almost daily. What I love most about Guilderland is the wide variety of businesses and restaurants in the area. The addition of a Costco to Guilderland will provide even more of an incentive to visit the town and shop.

Additionally, I am looking to move to Guilderland in the near future but currently nothing suits my needs in the town. With the new proposed apartments, that could change my thoughts. The idea of an apartment complex right near Crossgates and Costco is a win-win for me, and would provide easy access to a wide variety of dining, shopping and entertainment venues.

I ask that the Guilderland Town Planning Board strongly consider moving forward with this project.

Sincerely,

CJ Lyons
