Kenneth Kovalchik  
Town Planner  
Town of Guilderland  
Guilderland Town Hall  
PO Box 339  
Guilderland, NY 12084

Dear Mr. Kovalchik,

It is with great pleasure that I write this letter in support of Pyramid Management's proposed reimaging shopping, dining and entertainment experience in Guilderland and the Capital Region.

AE Rosen Electrical believes that this reimaging project will be great for the economy and local businesses while also providing a great service for the community and tourists. This development will help drive business in Guilderland and Albany County which will lead to additional sales tax revenue. It will also generate additional property tax revenue that will benefit the Town of Guilderland and the School District. From a construction prospective, the project will create construction jobs as well as sustain on-going operational contracts (ie: landscaping, snow removal, electrical, etc.). The proposed pedestrian improvements including sidewalks and bike trails will be a benefit to the community.

AE Rosen Electrical has worked closely with Pyramid Management over the years and they have been a pleasure to work with and an outstanding customer of ours.

Please feel free to contact me if you would like to discuss this further.

Sincerely,

Adam Rosen  
President
