Questions or Comments

Please leave your comments or questions below.

The Comprehensive Plan Update was funded in part by a grant of \$50,000 from the Town of Guilderland I.D.A. This significant financial support is not acknowledged anywhere in the Final Draft Report, and no effort was made to solicit input from the I.D.A. regarding the content of the update. Please note that the Board and the staff of the I.D.A. finds this disappointing.
