Hydrant usage fee is \$300.00 which includes up to 30,000 gallons of water according to the estimated amount of water to be used or metered at the discretion of the department. Usage over 30,000 gallons will be billed separately at the current rates. The applicant and/or contractor shall be responsible for the separate water bill, and the current replacement cost for the meter or backflow preventer if damaged or not returned.
