

TABLE OF CONTENTS

EXECUTIVE SUMMARY	ES-1
Background and Purpose	ES-1
Scope and Context: The McKownville Neighborhood.....	ES-2
Outreach Activities	ES-3
Study Team	ES-3
Key Issues and Recommended Strategies.....	ES-4
Pedestrian and Bicycle.....	ES-4
Trails and Recreational Areas.....	ES-4
Transit Service and Facilities.....	ES-5
Intermodal Facilitation.....	ES-5
Traffic Operations.....	ES-5
Managing Interactions Between Modes.....	ES-5
Access Management	ES-6
Traffic Calming.....	ES-6
Streetscaping and Motorist Behavior.....	ES-7
Gateways.....	ES-7
Regulatory and Procedural Steps.....	ES-7
The Implementation Strategy.....	ES-8
 PEDESTRIAN AND BICYCLE FACILITIES AND ENVIRONMENTS.....	 1-1
Key Issues	1-1
General Pedestrian Environment	1-1
General Bicycle Environment.....	1-2
Challenge in Establishing Facility Hierarchies.....	1-2
Sidewalks: New Construction versus Reconstruction	1-3
Latent Demand for Sidewalks.....	1-3
Recommendations.....	1-4
SW-1: Johnston Road Sidewalk Improvements	1-4
SW-2: Western Avenue Eastbound Side Sidewalk Improvements	1-5
SW-3: Western Avenue Westbound Side Sidewalk Improvements.....	1-7
SW-4: Crossgates Mall Sidewalk Improvements	1-7
SW-5: Church Road Sidewalk Improvements.....	1-7
SW-6: Strawberry Lane Sidewalk Improvements	1-8
SW-7: McKown Road Sidewalk Improvements.....	1-8
SW-8: Williams Court Sidewalk Improvements	1-9
SW-9: Westlyn Court Sidewalk Improvements.....	1-9
SW-10: Brookwood Avenue Sidewalk Improvements.....	1-10
SW-11: Northeast Quadrant Sidewalk Improvements.....	1-10
SW-12: Mercer Street Sidewalk Improvements	1-11
SW-13: Schoolhouse Road Area Pedestrian Crossing Improvements	1-11
SW-14: Schoolhouse Road Sidewalk Improvements	1-11
SW-15: Zoning Ordinance Provisions to Facilitate Multimodal Travel.....	1-11

BK-1: Designation of Town Bike Routes in McKownville.....	1-12
BK-2: Multi-Stage Bike Route Improvement Program.....	1-12
BK-3: Bicycle Parking Ordinance.....	1-13
Notes on Other Topics.....	1-13
Destination Treatments.....	1-13
Toolbox of Intersection Treatments Benefiting Cyclists.....	1-14
Accessory Treatments/Finishing Steps.....	1-15
Crossings.....	1-16
Maintenance.....	1-18
Sidewalk Law.....	1-19
Ordinance/Law Enforcement.....	1-19
Intermunicipal Coordination of Improvements.....	1-20
Notes on Other “Official and Unofficial” Facilities.....	1-20
TRAILS AND RECREATIONAL AREAS.....	2-1
Overview on Trails and Open Space.....	2-1
North of Western Avenue and East of Fuller Road.....	2-2
South of Western Avenue.....	2-3
West of Fuller Road and East of Fuller Road Alternate.....	2-4
The McKownville Reservoir.....	2-5
East of the Northway.....	2-5
West of the Thruway and Fuller Road Alternate.....	2-6
Recommendations.....	2-7
TRL-1: Freedom Quad – Stuyvesant Plaza Trail Development.....	2-7
TRL-2: Western Avenue – Schoolhouse Road Trail Development.....	2-7
TRL-3: Patricia Lane –Westmere Elementary School Trail Development.....	2-9
TRL-4: McKown Road – Abele Park Trail Improvements.....	2-10
TRL-5: Krum Kill West Branch Trail Development.....	2-10
TRL-6: Norwood Street – UAlbany Trail Development.....	2-10
TRL-7: Recreational Trail System West of Fuller Road.....	2-11
TRL-8: Town Trails Map Development.....	2-12
TRL-9: Redevelop McKownville Reservoir as a Recreational Destination.....	2-12
TRANSIT SERVICE AND FACILITIES.....	3-1
Overview.....	3-1
Issues.....	3-2
Service/Schedules.....	3-2
Stop Placements/Accommodations.....	3-2
Need for Transit-Oriented Design.....	3-2
Transfer Opportunities.....	3-2
Bike Racks on Buses.....	3-3
Miscellany.....	3-3
Recommendations.....	3-4
TRN-1: Install Shelters at Western Avenue Bus Stops.....	3-4
TRN-2: Promote CDTA Travel Opportunities for College Student Travel.....	3-6

TRN-3: Enhance Traveler Information.....	3-6
TRN-4: Explore Transit Priority Opportunities for the Western Avenue Corridor.....	3-6
TRN-5: Explore Opportunities for Express CDTA Service from McKownville	3-7
Note on Intermodal Facilitation	3-7
TRAFFIC OPERATIONS	4-1
Issues.....	4-2
Managing Interactions Between Modes.....	4-2
Enhancing the Predictability of Traffic through Access Management.....	4-2
Traffic Calming.....	4-2
Down-Design	4-3
Streetscaping and Motorist Behavior.....	4-5
Flooding and Stormwater Management.....	4-6
Recommendations.....	4-8
General Note on Bulbouts.....	4-8
Intersections	4-8
IS-1: Western Avenue/UAlbany Intersection Improvements.....	4-8
IS-2: Western Avenue/McKown Road/Norwood Street Intersection Improvements...	4-10
IS-3: Western Avenue/Parkwood Street/1450 Western Intersection Improvements...	4-11
IS-4: Western Avenue/Fuller Road Intersection Improvements.....	4-13
IS-5: Western Avenue/Schoolhouse Road Intersection Improvements.....	4-14
IS-6: Western Avenue/Church Road Intersection Improvements	4-17
IS-7: Western Avenue/Crossgates Mall Intersection Improvements.....	4-17
IS-8: Fuller Road/UAlbany South Driveway Intersection Improvements.....	4-19
Neighborhood and Community Design	4-19
NCD-1: Reclamation of Western Avenue Pavement between Fuller Road Alternate and Crossgates Mall.....	4-19
NCD-2: Median on East Leg of Western Avenue/Fuller Road Intersection	4-19
NCD-3: Trailblazer Signage for Local Recreational Opportunities	4-19
NCD-4: Streetscape Standards.....	4-21
Operational Enhancements	4-21
OP-1: 30 MPH Goal for Western Avenue	4-21
OP-2: Strategic Width Reductions and Shoulder Right-Sizings.....	4-21
OP-3: Access Management Treatments.....	4-22
OP-4: Fuller Road Alternate Traffic Calming/Gateway Treatments.....	4-23
OP-5: Fuller Road Alternate Down-Design.....	4-23
OP-6: Elmwood Street Traffic Calming Measures.....	4-24
Miscellany.....	4-25
GATEWAYS	5-1
Gateway Overlay District	5-2
Roundabouts	5-3

IMPLEMENTATION STRATEGY	6-1
Strategic and Logistical Aspects of Implementation	6-1
Steps to Progressing Actions	6-1
Integration into Existing Efforts	6-1
Projects.....	6-1
Programs	6-2
Special Opportunities.....	6-2
Add-Ons.....	6-3
Early Wins	6-3
Free-Standing Projects.....	6-3
Recommended Sequence for Strategies.....	6-4
Shorter-Term Prospects	6-4
Medium-Term Prospects.....	6-5
Longer-Term Prospects.....	6-6
Funding Opportunities	6-7
Local Resources	6-7
Note on Local Resources and Maintenance.....	6-8
State Resources	6-8
Federal Transportation Funds and Programs	6-9
Other Federal Funds/Programs	6-10
Private Support.....	6-10

APPENDIX: RESIDENT VIEWS ON NEIGHBORHOOD NEEDS	A-1
