Dear Mr. Csaposs;

I write to you as the owner of Drue Sanders Custom Jewelry located on Western Avenue at Gabriel Terrace. As I am sure you are aware, my store is adjacent to the proposed Costco site. I have been in business here since January 1995 and can't tell you how important it has been to have my business positioned in such a thriving location. The Crossgates draw has helped so many surrounding businesses grow, as not only do their guests patronize the mall, but they also visit outlying shops & restaurants, to help give us momentum to grow as well.

As such, I am writing today, as I have done throughout this process, because I am in full support of the proposed Costco. I'm asking that the Guilderland IDA approve the application for financial assistance for Costco. This project will do nothing but help our schools, town and county by creating additional tax revenue.

The Town of Guilderland IDA should give the green light to approve the assistance for this project. Please consider this letter my support for both public hearings taking place on May 31st.

Regards,

Drue Sanders
