Good Morning,

I have voiced my support previously and would like to do it again for the two upcoming public hearings on Wednesday, 5/31. We desperately need Costco in the Albany area. It is miles ahead of BJ's and Sam's club when it comes to wholesale warehouses. The location near Crossgates is perfect and we need to seize it before they choose to walk away. Costco Projects have been approved with various forms of financial assistance across the country & there is no reason that this shouldn't be approved of here as well in Guilderland with some help from the IDA.

Thank you for your time and consideration,

Robert King
