To Whom it May Concern.

I am writing to show my support for both upcoming public hearings for the proposed and Town Planning and Zoning Board approved Costco project.

I work as a manager at Crossgates. This project will benefit my growing business here at Crossgates and I'm excited for the prospect for it to come to Guilderland. The benefits have already begun for the community with the CDTA roundabout construction and all the other improvements planned with this project including sidewalks and multi use trails.

Costco is a very well known business for jobs and community and I ask that you please consider approving on both upcoming public hearings.

Thank you for your time.
