Hello , I am in support of a Costco being built in Guilderland. I have worked in Guilderland at the Guilderland Central School District for 32 years and retired for 5 years now. While I worked in Guilderland I visited many business and bought things, and I still visit Guilderland businesses. I believe Costco's taxes will support the Guilderland School District and the county. I live near n Rotterdam N.Y. And I definitely will travel to Costco to buy things .

Yours truly,
