Good Afternoon Don,  
Refer to Costco Project two hearings scheduled on Wed, May 31st.

I support Guilderland IDA vision and efforts leading up to the Costco Project in Guilderland. I believe it would be a welcome addition to our neighborhood.

Thank you

Anoop Singh

**Subject:** Proposed Costco - We Need Your Support for Tomorrow!

Dear Friend,

We hope you had a safe and happy Memorial Day weekend!

**The countdown to Costco's public meetings in front of the Guilderland IDA is on – as they are scheduled for tomorrow evening.**

**This is the remaining approval required before the \$40+ million project has the green light and it would be helpful if you could share your support with the Guilderland IDA by attending in person or sending in your support via email today.**

The Guilderland IDA has two Public Hearings this Wednesday, May 31<sup>st</sup> beginning at 7pm at Guilderland Town Hall located at 5209 Western Turnpike. The Guilderland IDA has supported other projects along Western Avenue over the years and Costco projects across the country have been approved with various forms of financial assistance as well.

**Please consider engaging further with the IDA at this in-person public hearing by voicing your support for this important project.** Costco will boost our local economy and pump millions of new dollars into local and school tax districts.

**If you are not able to attend, please submit your support via email and share this message with your friends, family, neighbors and fellow Guilderland supporters. Send your comments to the IDA via its Executive Director – Don Csaposs at csapossd@togny.org asking that your comments apply to both public hearings.**
