To: csapossd@togny.org

To whom it may concern,

I want to show my support for both upcoming public hearings for the proposed and Town Planning and Zoning Board approved Costco project.

I have worked in Crossgates as a store leader for several years. The traffic and business Costco would bring to the town and Crossgates cannot be ignored. This will result in revenue as well as taxes. I understand that Costco has been approved for financial breaks many times when building and I see no reason to not approve that here so they may come to the market. I look forward to the benefits Costco will bring to the area. Please consider approving this project as other projects have been approved along Western Avenue.

Thank you for your time and consideration,  
Alyssa Pertell
