Message:

I am writing to you to express my disapproval of any tax relief to be granted to Crossgates Releaseco. I don't understand how this is even possible. Pyramid and all of its subsidiaries have not done anything for the town of Guilderland since Crossgates was originally built. All they ever wanted was to increase and destroy more property. They have fought their assessments for years and have cost the town additional money in court costs.

We increased our police and I believe Pyramid was to pay for the payroll of their officers as then I read that they backed out of that deal as well.

I wish someone could tell me what have they done for our community that has not cost the taxpayers of Guilderland additional monies.

Under no circumstances should this agency grant any relief to Crossgates Releaseco until we see a worthy neighbor. They have much to do to see any trust from me.

Tax relief should be given to the smaller shop owners in the town than a large corporation.

As far as the roads being taken by eminent domain, that should be put to a public vote!

Thank you,

Pat Mccarthy
