I want to show my support for both upcoming public hearings for the proposed and Town Planning and Zoning Board approved Costco project.

As a store manager at Crossgates this project will be important for not only to my business but the whole town. The business and revenue this project will bring to the town are fantastic. The land is ready for this use and I feel should be approved.

Please consider approving this project and brining this well respected brand to Guilderland.

Thank you for your time.
