I want to show my support for both upcoming public hearings for the proposed and Town Planning and Zoning Board approved Costco project.

As a store manager at Crossgates I am excited to show my support for both hearings on the upcoming Costco Project. The business that this will bring the town and the mall will greatly impact my business. Costco is well known to bring jobs, revenue, sales tax, property tax and other revenues to the areas they build. This would be the same for Guilderland so I ask that you please consider approving on both upcoming public hearings as other Western Ave projects have also been approved.

Thank you.
