Dear Town of Guilderland IDA,

Please, Include this letter in both of the upcoming Costco Public hearings to show my support of Costco. As a small business owner in the Guilderland area, I believe this project will not only be a benefit to my business but also to the entire community. The Costco project will bring more than 100 permanent jobs to the area, on top of all the construction jobs that it will create as they build out the store.

Thank you for your time.

Sincerely,

Arielle Jackson
