To whom it may concern,

I want to show my support for both upcoming public hearings for the proposed and Town Planning and Zoning Board approved Costco project.

I am a manager at Crossgates. This project will benefit my growing business here at Crossgates.

Costco is a very well known business for jobs and community and will bring all of those benefits to Guilderland. The jobs, revenue, sales tax, property tax and other revenues it would bring to Guilderland and Albany County just make this project make sense and I ask that you please consider approving on both upcoming public hearings.

Thank you for your time.

Kind Regards,
Rubyanne DiSisto
